In a thriving community, supporting our music programs is everybody's business! **THE BANDS OF CHESNEE** welcome you to make music with us! We are fortunate to have one of the most comprehensive high school band programs in the area - over one hundred and seventy-five (175) students participate in three concert bands, marching band, jazz band and various other groups. Making music brings joy to our students, families, friends and community.

Our audience can be your captive audience!

LET US TOOT YOUR HORN! The Business Partners program is your chance to support music in Spartanburg County while you and your business gain local recognition. Our goal is to support those who support us by driving new business/sales to our sponsors via our direct network of over 2,500 friends and families. Your tax-deductible donation is an investment in the lives of young adults by helping them achieve their musical goals.

These investments have allowed your band program to become one of the most recognized band programs in the state. Just this year we received the state's highest honor, the Outstanding Performance Award, based on our achievements in marching band, concert band and our individual student's success across the state. Along with this award, the Marching Eagles were named one of the top marching bands in the state by finishing 3rd at the SCBDA 2A Upper State Marching Championships and 6th at the SCBDA 2A State Marching Championships. We have over 175 students involved in our band programs in Chesnee. We hope we can add you to our band family.
